## **IT'S WHAT POPPLES ARE ALL ABOUT!**

Popples are new, and they're popping up all over! And wherever you find them, you'll find cute, cuddly fun.

Because Popples pop in and out of themselves—turning from colorful, cuddly balls of fur into floppy and fun little animals.

Get popping with Popples. Look for them as toys and tote bags, on all kinds of fun products and on TV, too. Find out what the furry fun is all about.
